

# Upper Rhine Cluster for Sustainability Research – Newsletter 04/2016

*Wir wünschen Ihnen frohe Weihnachten  
und ein erfolgreiches Jahr 2017!*

*Nous vous souhaitons de bonnes fêtes de fin  
d'année et une belle année 2017!*

In the name of the management committee of the Upper Rhine Cluster for Sustainability Research we would like to thank you for the cooperation and hard work in 2016. We are looking forward to develop the cluster further and to intensify the exchange between the affiliated institutions and researcher in 2017!

With this first URCforSR-Newsletter we are glad to announce that we will quarterly update you with all the necessary information about the cluster. Meanwhile please regularly check our homepage or directly contact the management offices or the enablers: [www.sustainability-upperrhine.info](http://www.sustainability-upperrhine.info).

For further information regarding the main events in 2016 as well as the first established working groups check the following documents:

## **The Kick-Off Workshop:**
