Basel

# Upper Rhine Cluster for Sustainability Research

Template 2 for Kick-off meeting, Freiburg 07./08.10.2016

Working Title (for joint project/thematic field of cooperation)/axis 1

**Leverage points in sustainability governance**

Sketch of content

- Implementation of changes by leverage points
- Large changes (big bang) vs. small changes (gradualism)
- Where do tipping points come from

Next steps

1. Individual description and clarification of (until end of November):
  - a. Topic
  - b. Relevant literature
  - c. Own contribution
  - d. Own expertise / external cooperation
  - e. Further points of discussion
  - f. Suitable funding sources (most likely D-A-CH Lead Agency)
2. Half-day meeting in Basel in week 10.-16.12. to discuss and further shape project

Responsible person

Stefan Baumgärtner (Freiburg)

Members committed to working in the group
