Workshop axis "Governance"

The goal of this event is to bring together all researchers involved in the humanities and social sciences within the Cluster (axes 1 & 5), and to see how we can concretely cooperate and exchange aiming at publishing a common textbook.

ICLEI conference

In a second moment, we will be pleased to receive Dr Cristina Garzillo, Senior Coordinator within the "Governance and Social Innovation" group at the ICLEI – Local Governments for Sustainability, who will give a transfer conference with possibilities of exchanges.

We look forward to meeting you all in Strasbourg!
